

Sacraments

Years 5 and 6

- The children learn that there are seven sacraments and identify some of the symbols associated with each of the sacraments.
- They identify the meaning of the symbolism in the sacraments of Matrimony and Holy Orders.
- They learn the importance of commitment and service in both sacraments and how they fulfil the mission of the Church.
- They learn, in detail, what happens during the Rite of Baptism and Confirmation.
- The children learn that through the sacraments we profess and live out the faith that comes from the apostles.
