

# Creation

## Years 1 and 2

- The children learn that the Creation story found in the Bible.
- They learn how to identify the key elements of the Genesis story and what God did on each day.
- The children learn that psalms are prayers that give praise to God and identify in which parts of the Mass the psalms are said.
- The children learn that God protected his creation by calling people to carry out His work as stewards of His creation.
- They identify how they can take an active part in caring for God's creation.
- They read the Old Testament stories; Noah's Ark and Jonah and the Whale.
- They learn that we proclaim God's word at Mass so that we can respond and follow God's will.
