

# Creation

## Years 5 and 6

- The children learn that there are two versions of the creation stories and that they are a way of teaching that God created the world and everything in it.
- They explore how St Paul helps us to identify key features of the People of God.
- They learn how the Beatitudes guide us in our work as co-creators and in responding to God's creation.
- The children read the story of Moses and learn that the 'People of God' made sacrifices.
- The children understand how the commandments guide us in true love and help protect creation.
- They identify how the story of Cain and Abel tells us free will and how the Church works to create a harmonious world.
- They learn to define what an ideal steward is, by understanding the inequalities throughout the world and how God's gifts could be shared to change this.
